**Classes:** Parents/guardians will be informed of day and time your class commences before the start of term. The time stated is when the class starts so please ensure you arrive in plenty of time to change. Classes will not be delayed to accommodate late arrivals. Class sizes are determined by the ability of the swimmers. Aquacoach reserve the right to merge or cancel classes.

Late arrivals will not be admitted to a class if they arrive more than 15 minutes after the start of a lesson and between 10 and 15 minutes late is admitted at the discretion of the teacher.

**Teachers:** Aquacoach reserve the right to change teachers, at all times during the course, but will endeavour to keep any changes to a minimum.

**Assessments:** Assessments are carried out before a swimmer commences a course. The result of the assessment forms the basis of the class they are placed in which is judged to be the best fit of the swimmer's ability. Swimmers will be assessed continually over the duration of a course;

- a. Swimmers who are progressing slower in a group may be asked to attend a more suitable class to ensure they can continue to improve at their own pace.
- b. You can request an assessment at any time. However, a swimmer can only be moved to another class during the first 5 weeks of a course.
- c. Duckling classes are for children aged 3 and over.

**Badges/Certificates:** Badges/certificates are awarded after the swimmer has achieved the standard required based on the specific criteria for that award. All awards are given during the last 2-3 weeks of term.

**Rebooking:** Rebooking takes place from the last 4 weeks of each term. All swimmers currently enrolled on a course have priority to rebook those places. After the closing date places that have not been booked will be offered out to those on the waiting list.

**Day/time changes:** Please fill in a request form with the poolside manager. Confirmation of places offered: Places can be reserved but are not confirmed until payment is received for any course. If the course starts before payment is received Aquacoach reserve the right to allocate the place to someone else.

**Refund policy:** Places cancelled before the commencement of a term shall be refunded in full. After that time no refunds are given unless in exceptional circumstances. Refunds are issued by bank transfer.

Lessons missed for holidays and illness are forfeited. Refunds/credits are not made if the swimmer is unable to attend a scheduled lesson during the term. Longer term absence i.e. medical: Lessons will be banked and credited to your account to use for the next course.

**Lessons cancelled by Aquacoach:** In the event the host pool cancels a class we will inform all those due to attend as soon as possible. The lesson will be rearranged at another time i.e. half term or an additional class at the end of term.

Aquacoach do not issue refunds if swimmers are unable to attend a session that has been rescheduled to another date. In the event that a class cannot be rescheduled your account will be credited equal to 1 swimming lesson redeemable against future lessons or paid as a refund should you not return to swim with Aquacoach. In the event of a significant closure spanning more than 3 weeks Aquacoach will make separate arrangements transferring fees to the next planned course or run an additional set of lesson.
